# You Can Help Strengthen Addison County

When you give to United Way of Addison County through payroll deduction, you are helping us fund agencies that can address the nuances of complex problems like poverty, homelessness, lack of affordable high-quality childcare, domestic violence, isolation, substance use disorder, and a disengaged workforce. You are helping us find solutions to fill unmet needs.

# Respond. Recover. Reimagine. Rebuild.

The pandemic has presented many challenges for United Way of Addison County (UWAC), but we were built for this. In 2020 our mantra has at UWAC has become:

**RESPOND.** UWAC has been responding to the community's needs for 52 years. Nothing better demonstrates our community's compassion and generosity quite like the incredible response we received to Addison County Responds.

**RECOVER.** The strength of our community partners is what will drive real change. Already we've seen incredible innovation in how we, as a network of organizations, can help Addison County recover.

**REIMAGINE.** It has become even more evident in recent months that "normal" wasn't working for too many people in Addison County. Instead, we have our eyes set on reimagining and rebuilding a more equitable and resilient community.

**REBUILD.** When the pandemic is over and we return to shaking hands, the hard work will continue. UWAC will be in it for the long haul; making sure the most basic needs are met for every Addison County resident.

# We Need You!

Your support is needed more than ever. While we continue to raise funds for restricted COVID-19 uses, the need to shore up our operations is greater than ever so when something of this scale happens again, we can, once again, respond from a position of strength. We can't do this without you.
