You Can Help Strengthen Addison County

When you give to United Way of Addison County through payroll deduction, you are helping us fund agencies that can address the nuances of complex problems like poverty, homelessness, lack of affordable high-quality childcare, domestic violence, isolation, substance use disorder, and a disengaged workforce. You are helping us find solutions to fill unmet needs.

You are helping build a stronger Addison County.

United Way of Addison County's Mission

We are committed to mobilizing the compassion and generosity of individuals and organizations to improve lives and strengthen Addison County. Together with our partners we focus our efforts on three foundations:

Health

Education

Financial Stability

Ready to LIVE UNITED

We Need You!

The pandemic has reinforced the importance of taking care of each other. The intersection of COVID and inequity has only widened the gap in health, financial stability, and education. **Your generous support of UWAC helps the most vulnerable people in Addison County stay in their homes, feed their families, keep the lights on, flee unsafe situations, and more.** Your donation helps close the divide and give every person an equal opportunity to succeed.
