2022-2023 Workplace Campaigns

You Can Help Strengthen Addison County

When you give to United Way of Addison County through payroll deduction, you are helping us fund agencies that can address the nuances of complex problems like poverty, homelessness, lack of affordable high-quality childcare, domestic violence, isolation, substance use disorder, and a disengaged workforce. You are helping us find solutions to fill unmet needs.

**You are helping build a stronger
Addison County.**

United Way of Addison County's Mission

We are committed to mobilizing the compassion and generosity of individuals and organizations to improve lives and strengthen Addison County. Together with our partners we focus our efforts on three foundations:

Health

Education

Financial Stability

Together, We Can.

Strong communities need strong United Ways to convene problem solvers, advocate for policies that advance equity, invest in local programs meeting evolving needs, and provide the people power needed to make things happen. Just as no person should face homelessness, hunger, or poverty alone, no organization should respond alone. UWAC is Addison County's local nonprofit resource hub, providing resources, training, data, and connections that make our support network strong enough to lead our community to a thriving future.

Ready to LIVE UNITED

We live in a special place, and one-size-fits-all solutions don't match the uniqueness that *is* Addison County. Your generosity keeps our services local and our community stronger. Please make your gift today.
